

INFORMATION RELEASE

PHOTOCOPIER – CIVIL REGISTRY

In order to simplify the procedures for charging for copies made in the civil registry, from Monday 15th April 2013 the photocopier available for public use will only operate by the use of cards which can be purchased from the Finance Office on the 1st Floor of Kirk House.

The cards will cost \$25 each. As prescribed by law, the cost for each copy will remain at 50cents and so each card will enable 50 copies to be made.

These cards are now available for purchase.
